6. Mr Wiltshire to address the Parish Council

Mr Wiltshire explained that he had lowered the roof, and the windows couldn't be in the same place as the plans had changed due to the configuration of the inside. Mr Wiltshire had got another survey done and sent in to BDC Planning dept, earlier in the year, but still no response from the planning dept. Mr Wiltshire would like to get the windows in so that the building become weather proof.

The Council agreed that had Mr Wiltshire put in a proper application in the first place the council could see no reason why the council could not approve this. The PC to write to BDC Planning asking when this application would be sorted.

19/00489/FUL Regularisation of works (heights, windows and doors) of the original approvals 10/00791/FUL and 16/01824/VAR. - Helions Great Hall, Sages End Road, Helions Bumpstead **Pending**
